About us

ALEGRE is the product range of Health & Hygiene Enterprise, an Ahmedabad manufacturer founded in 2020 by Ramesh Parmar, a public-health and development professional with 27 years of experience. We make washroom, floor, kitchen, laundry and specialty cleaning chemicals for institutional buyers across India.

Why buyers work with us

- ✓ **Customised supply.** Formulation strength, fragrance and pack size can be customised to each buyer's requirement.
- ✓ **Institutional packs.** 5 L, 10 L, 20 L, 35 L and 50 L.
- ✓ **Fast dispatch.** Pan-India dispatch through transport partners, usually within 2 working days of order confirmation.
- ✓ **Documentation.** Material Safety Data Sheets (MSDS) are available on request for every product.
- ✓ **One supplier, full range.** 16 products across five areas of cleaning, with premium and economy grades for toilet cleaning.

How ordering works

1. **Send your requirement:** products, approximate monthly quantity and delivery location.
2. **We understand the application** and recommend product, strength and pack size. Samples are arranged for genuine business enquiries.
3. **Receive a quotation** based on your specification and volume.
4. **Dispatch across India,** usually within 2 working days of confirmation.

Washroom & toilet care

Advance Toilet Cleaner — Sparkling White Bleach

Bleach-based toilet cleaner that removes stains and whitens the bowl. Its formula grips the sides of the bowl.

- ✓ Bleach-based formula
- ✓ Removes stains and whitens the bowl
- ✓ Grips the sides of the bowl

Where used: Toilet bowls; Washroom ceramics

Safety: Contains bleach. Never mix with acids, scale removers or other cleaners, as harmful gases can form. Use in a ventilated area and avoid contact with skin, eyes and coloured fabrics.

alegre.co.in/products/sparkling-white-bleach-toilet-cleaner/

Floor & surface care

H2 All-Purpose Cleaning Gel

Concentrated, pH-balanced cleaning gel and degreaser for washable surfaces. One product for many cleaning jobs when diluted correctly.

- ✓ Concentrated gel: dilute before use
- ✓ Cuts grease and grime on washable surfaces
- ✓ pH-balanced formulation
- ✓ One product for multiple cleaning tasks

Where used: Floors and tiles; Kitchen surfaces; Marble and granite; Vehicle exteriors and interiors

Dilution: Typical starting dilution: 1 part gel to 10 parts water for general cleaning, and 1 part gel to 5 parts water for tougher jobs. Dilution can be customised to your application.

alegre.co.in/products/h2-all-purpose-cleaning-gel/

Floor & surface care

H3 Glass & Household Cleaner

Glass and hard-surface cleaner that removes dirt, spots, grease and grime with a streak-free finish and an aqua-fresh fragrance.

- ✓ Streak-free, smear-free finish
- ✓ Removes dirt, spots, grease and grime
- ✓ Aqua-fresh fragrance
- ✓ Suitable for glass and many hard surfaces

Where used: Glass doors and partitions; Windows and mirrors; Display counters; Television and monitor screens (apply on cloth)

Fragrances: Aqua fresh

Kitchen & laundry

Fabric Wash Liquid

Liquid detergent with in-built conditioner for all fabrics. Works in top-load and front-load machines and for bucket wash.

- ✓ For all fabric types
- ✓ Top-load, front-load and hand wash
- ✓ In-built conditioner
- ✓ No separate soap powder needed

Where used: Hotel and hospital linen; Hostel laundries; Uniform washing; In-house laundries

Dilution: Dosage depends on load size and soiling. See the product label.

alegre.co.in/products/fabric-wash-liquid/

Hand & room care

H5 Air Freshener

Ready-to-use room and washroom freshener that clears unpleasant odours and leaves a lasting pleasant fragrance.

- ✓ Ready to use
- ✓ Clears unpleasant odours
- ✓ Pleasant, lasting fragrance
- ✓ Minimal spray required

Where used: Washrooms; Guest rooms; Banquet halls; Offices and conference rooms

Dilution: Ready to use. Do not dilute.

alegre.co.in/products/h5-air-freshener/

Hand & room care

Liquid Hand Wash — Healthy Soft Wash

Soap-based liquid hand wash for washroom dispensers, in strawberry, lemon, rose and aqua fragrances.

- ✓ Soap-based formula
- ✓ Refreshing, pleasant fragrance
- ✓ Bulk packs for dispenser refills
- ✓ Four fragrance options

Where used: Washroom dispensers; Pantries and canteens; Reception and guest washrooms

Fragrances: Strawberry, Lemon, Rose, Aqua

alegre.co.in/products/liquid-hand-wash/

Specialty & industrial

TSPC1 Solar Panel Cleaner

Solar panel cleaning liquid that removes industrial dust, fly ash, dirt and stains. Developed for heavy-dust sites such as cement plants.

- ✓ Removes industrial dust, fly ash and stains
- ✓ For all common types of solar panels
- ✓ Developed for heavy-dust industrial sites
- ✓ Concentrate: dilute to suit the soiling level

Where used: Factory rooftop solar; Ground-mounted solar plants; Cement and heavy-industry sites; Commercial building rooftops

Dilution: Normal dust: 1 part cleaner to 10 parts water. Tough dust and stains: 1:5 or 1:2, as needed.

Safety: Follow the solar panel manufacturer's cleaning guidance. Clean panels during early morning or late evening when they are cool, and follow site electrical-safety procedures.
